EDUCATION

VIT Bhopal University June 2026
B.Tech. Computer Science & Engineering *Current CGPA: 8.03/10*

SKILLS

Programming Languages: Java, JavaScript, SQL
Web Technologies: MongoDB, React, Node.js, HTML, CSS
Tools: GitHub, VS Code, IntelliJ IDEA

PROJECTS

SnapSphere | *Node.js, Express, MongoDB, JWT, REST APIs* Aug 2025
- Built a full-stack booking platform connecting clients with photographers & creators, with role-based access (client, creator, admin).
- Developed MongoDB schemas for users, bookings, and portfolios, enabling efficient real-time data storage and retrieval.
- Designed secure RESTful APIs with JWT authentication and middleware-based role management.

Mushroom | *Python 3.10, Cohere API, Groq API, Hugging Face, TTS/STT, Real-Time Search* Apr 2025
- Built an AI-powered chatbot with real-time search, image generation, and speech interaction.
- Implemented multimodal AI features using Hugging Face and Groq for text, audio, and image processing.
- Enhanced accessibility by integrating TTS/STT for natural voice-based conversations.

Nom Nom Now – Zomato Clone | *React, REST APIs, User Auth* Aug 2024
- Developed a responsive UI in React providing seamless experience across devices.
- Integrated third-party APIs for restaurant search and secure payment processing.
- Implemented user authentication and authorization to protect sensitive data.

ACHIEVEMENTS

- Selected for the Ericsson Edge Academia Program – awarded to the top 500 students across India.
- Runner-up in a national-level Street Photography Competition themed on Holi.

EXTRA-CURRICULAR

Campus Ambassador – Kreo Jan. 2025 – Present
- Promoted Kreo's gaming and tech products (e.g., mice, keyboards, mics, lights) through digital and campus engagement.
- Received products for review and created promotional content to enhance brand reach among students.

Media & Photography Team Member | *VIT Bhopal* Aug. 2022 – Present
- Covered all major college events as a lead photographer and videographer.
- Collaborated with a film director for the official college advertisement shoot, assisting in production and visuals.

Regional Badminton Player 2019 – 2021
- Represented JNV at regional-level badminton tournaments, showcasing sportsmanship and discipline.

Club Memberships 2023 – Present
- Active member of D2C Igniters Club and Android Club.
